Administrator's Column

As many of you are aware, we have had a number of staff and students out with various illnesses, including influenza A, upper respiratory, and a stomach bug.

Please keep in mind: Students with fever above 100 degrees, vomiting, and/or diarrhea can not return until at least 24 hours after symptoms have subsided without the use of medication.

Please help us by encouraging diligent hand-washing, coughing into a sleeve, etc. and not returning to school too early. For the school's part, we have asked teachers and cleaning crew to sanitize all surfaces - we appreciate everyone's help!

*Blessings,
Dr. Peggy Polson
