Administrator's Column

BCS is excited to announce the addition of a STEM room! We will have an entire classroom set aside for STEM (Science, Technology, Engineering, Math) exploration. Stations in this room will include a Legos area, Engineering Wall, Robots Craft Table, Magnetic Wall, Technology Center, Math Table, Science Table, and Engineering Table. If you can help with a donation of any materials (see STEM donation needs), we would appreciate it!

Blessings,
Dr. Peggy Polson

*You, God, are my God, earnestly I seek you;
 I thirst for you, my whole being longs for you,
 in a dry and parched land where there is no
 water. I have seen you in the sanctuary and
 beheld your power and your glory. Because your
 love is better than life, my lips will glorify you.
 I will praise you as long as I live,
 and in your name I will lift up my hands. I
 will be fully satisfied as with the richest of foods;
 with singing lips my mouth will praise you.
 Psalm 63:1-8*
