Operation Christmas Child

Operation Christmas Child is a great program because it helps Christians connect to the larger Church. A 12-week discipleship program is included with the free gift of each shoe box. The children then learn about another free gift they have - salvation through Jesus Christ. These shoe boxes open doors for ministry in local communities all over the world. We would like to have all of our donated boxes to the radio station by November 16th. Please help us reach the goal of a total of 700 boxes donated in a combined effort with the radio station! Find out how to pack a shoe box here:
