### Administrator's Column

**Through her eyes:** *"I'm an international student (a senior) from Spain. Coming to America to attend school has been completely exciting - stressful, sometimes sad, but overall, a super blessed experience! Adapting to a different culture has been challenging and eye-opening. Listening to other points of view can influence your outlook, but keeping God in the center gives you the balance you need to be discerning. Having Christ as the common denominator has made this an experience I will cherish forever!"*
