Administrator's Column

From Miss Neta in K-2nd chapel: " I asked the children, how old do you have to be to ask Jesus into your heart? One boy spoke up and said 'just right now'. Others agreed. At the end of Chapel I gave an opportunity for those who had never given their heart to Jesus a chance to come up and I would pray with them so they could. One little boy was so excited and the others joined in his excitement as they came up. They received the Lord Jesus with gladness. They were so happy. Jesus tells us we must become as little children. I saw it demonstrated last chapel."
