Administrator's Column

A parent of one of our recent graduates shared her child's frustration at her college teacher's anti-God stance in class. Public schools and universities at their very foundations are not neutral about God; there is tolerance for every belief except faith in Jesus Christ and the God of the Bible. If you think this cannot be true in America, watch the movies "God's Not Dead 1 and 2". Take a few minutes a day to read God's Word as a family and pray together!

Lend a hand... be the blessing!!!

Friends, we have several opportunities for you to volunteer!! The most prominent and upcoming need is with our Bellevue 500 on Oct. 7th. We will need volunteers for that day to help with the carnival, run concessions, help with parking, set up, tear down and more. However, we need help beforehand stuffing envelopes and sending out letters. This is something you can work on at home! :) Please keep an eye on your email for all the detailed volunteer opportunities for the Bellevue 500 and other events. OUR FAMILIES ROCK!!! :)
