Administrator's Column

As part of our overall educational philosophy, much of last week was spent in character and team building. Eighth through twelfth graders went to Camp Elim; sixth and seventh graders had special activities, and K-5th had Spiritual Emphasis Week right here on campus. At Camp Elim, with an Olympics theme, students had opportunity to demonstrate artistic skills (flag-making for their country), participate in individual as well as team events, engage in uplifting worship, and hear inspirational and challenging messages. Our students are blessed with many talents – thank you for allowing us the opportunity to partner with you in helping each one reach his/her potential!
