Administrator's Column

Did you know the average Facebook user spends the equivalent of 3-4 weeks a year on that site? An average Netflix patron spends roughly two months per year consuming that media's offerings. Our kids are bombarded by so much social media! I encourage you to take a look at what your kids are inputting - maybe take a one-week break from it all and check out the difference it makes for your family!

Rejoice in the Lord always. I will say it again: Rejoice! ⁵ Let your gentleness be evident to all. The Lord is near. ⁶ Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. ⁷ And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.
