## January 29th, 2018

### Administrator's Column

Parents trust a large portion of time spent with their children to schools. The influence of teachers, school philosophy, and peers is staggering. We often tell parents, we don't promise that kids will all do the right thing at a Christian school, but we do promise to deal with issues as they arise and not allow ungodly conduct to continue unchecked. Thank you for making Christian education a priority!

Blessings,  
Dr. Peggy Polson  
Jeremiah 29:11
