Administrator's Column

We are pleased to continue our "The Longer You Stay, the Less You Pay" Re-enrollment program, available to our Denver area students. By re-enrolling during "Early Bird February", families will be given the opportunity to lock-in their tuition rate from the previous school year, AND this becomes the basis for EVERY SUBSEQUENT YEAR! New families for 2018-19 will be paying an average of up to 10% higher tuition, and this difference will only continue to grow incrementally. Please note: the savings is available for families whose account balances are current and who pre-enroll in February.

Blessings,
Dr. Peggy Polson
