Administrator's Column

A.W. Tozer, a great man of God, once said, "You will always go where you are looking". While this may seem like common sense, it really is profound when you ponder all of the ramifications. As we contemplate goals for this year, pray about what your kids watch, use of electronic devices (time and content) - in short, are they pursuing choices that will build character, or the opposite?

*Blessings,
Dr. Peggy Polson

I pray that from his glorious, unlimited resources He will empower you with inner strength through His Spirit. 17 Then Christ will make His home in your hearts as you trust in Him. Your roots will grow down into God's love and keep you strong. 18 And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep His love is.
