Administrator's Column

Friday evening, 100% of the class of 2019 seniors graduated. Most are headed to college; all of them have great plans and dreams for their futures. BCS graduates tell us they have been well-prepared for universities, earning top grades in their classes, receiving academic and merit-based scholarships. Our graduates have included future pastors, doctors, lawyers, missionaries, business men and women, and leaders in numerous fields. One recent graduate completed a 4-year degree in just 3 years!

Our love and prayers go with the class of 2019 - we can't wait to hear what God is going to do through you as you join those who have gone before you!

*Blessings,
Dr. Peggy Polson
Jeremiah 29:11*

Childcare Garden Project!!

Did you know our childcare has a garden during the summer? This summer we'd like to expand the Kottage Gardens (toddlers) and the Castle Gardens (preschool). These gardens allow our center to learn how to plant seeds, pick the vegetables, and even taste the food. In order to do that we could really use a few donated items! Please see the list below for items needed.

- Planters or Planting Boxes
- Old Rubber Tires
- Potting Soil
- Seeds (Vegetables & Flowers)
- Children's Gardening Tools
- Watering Cans
- Marking Sticks

If you have any additional questions or have items you'd like to donate, please contact Michelle at msims@belleviewchristian.com
